ST. THERESE NEWS

Greetings from St. Therese,

We were so grateful to welcome almost 200 family and friends to our Commissioning celebration on May 14. It had been three years since guests could join us for this significant event. Bishop Mark celebrated Mass and gave our students a special blessing to go share the gospel and live out what they have learned at St. Therese. Everyone enjoyed a delicious banquet and evening "Coffee House" that included inspiring student testimonies, beautiful poems, lively music, funny skits, and lots of joy and fellowship. Our students and staff couldn't be more grateful to all our friends, volunteers, and benefactors who made this weekend possible.

We're finishing up this challenging but grace-filled year with lots of gratitude. And we look forward to welcoming more students than ever next fall for another excellent year, hopefully one with a lot fewer unexpected twists and turns.

Also, please pass the word that we're hiring summer students again this year to help out with our summer events. Our website has all the details.

From all our students and staff, we hope everyone has a great summer!

Take and Makes

The Breakout Kit take and make will be in branches in early May. These kits contain paper based clues that patrons will need to solve and then input the correct code or combination into a web based form to "unlock" the next mission in the story. These are great for families with school age kids to do as a group or for teens/adults to do either in a group or alone.

The title of our first Breakout Kit is *Super Hootie vs. Dr. Brainwave*

The evil villain Dr. Brainwave has hidden a Mind Control Machine she plans to use to take over the world! Help Super Hootie break into her secret base and find the map to the device. Once you locate the device, you must punch in the code to set off its self-destruct mode. Find and destroy it before time runs out and she uses her machine to control the whole world. The world is counting on you!

If you get stuck on a clue, please email branchmanager@wheatland.sk.ca and you will receive a hint from Super Hootie :)

Summer Reading Program

We are working on building the 2022 Summer Reading Beanstack programs. It will work very similarly to last years, where patrons can track their reading minutes as well as participate in fun activity based challenges to enter tickets for the grand prize draws. **More details to follow!**
