ST. THERESE NEWS

Jesus came and changed history forever, 2,025 years ago. It would be hard to name a single person whose existence and ideas have a greater impact on the world we know today.

Because of the birth of Jesus, Christianity is the largest single cultural family in the world. According to Statistica, Christians make up 31.6% of the current global population.

The history of the Christian peoples is about as multicultural and multi-ethnic as any history there is, spanning almost every area of the globe, and integrating incredibly diverse societies to a shared vision of human brotherhood across these past 20 centuries.

Christian impact on social norms, on law, on the arts, on architecture, on technology, on philosophy - even on things like our idea of good work ethic - is so foundational to the worldview of most people today that we usually fail to recognize it as Christian at all. The modern concept of human rights - used by people of every type of cultural background and political persuasion - is almost entirely derived from the revolutionary Christian concept of the value of each human person, which comes from the teachings of Jesus.

King Charles III claims his right to reign from the person of Jesus Christ. Canada was founded by people formed by the laws of Christendom - the historically Christian kingdoms. Bruno was founded by German pioneers who had left Bohemia and traveled to North America in order to escape Otto Von Bismark's persecution of their Catholic culture. They came in waves to areas of Pennsylvania, then Wisconsin and Minnesota, and eventually to plains of Saskatchewan.

The St. Therese Institute exists to celebrate this incredible heritage and to pass it to the rising generation of young Canadian men and women, for the benefit of all Canada.

We are happy to wish a blessed 2,025th Year of Our Lord to our friends and neighbors!

Upcoming in the New Year at St. Therese Institute:

Triumph is a retreat program renowned across western Canada for helping people heal from traumas in their personal lives. It was originally developed at the St. Therese Institute. This month, St. Therese Institute is proud to be hosting a Triumph retreat in Bruno again, for the first time in 10 years (the January Triumph Retreat is fully booked, but you can look for more upcoming retreats at www.triumphretreat.com)

The week of February 17-21 is the second and final Open House Week of this St. Therese program year. The Open House weeks operate on a come-and-go basis. Members of the public are invited to come for as few or as many days as they prefer throughout the week, to experience a snapshot of the normal daily life at the Institute for yourself. Make reservations for a visit at www.sttherese.ca/events/ or by calling our office at 369-2555.

Over the first weekend in Lent - March 7-9 - St. Therese Institute will host world-renowned Catholic speaker Dr. Ralph Martin for our 2025 Lenten Retreat. We expect this one to sell out, so reserve your tickets for the Ralph Martin conference early if you want to take advantage of this exciting opportunity: www.sttherese.ca/events/ or 369-2555.

Happy New Year everyone! We look forward to growing with you in 2025.
