MAYOR'S MESSAGE

Hello Everyone

Happy New Year from myself, council and staff. We wish you all the best in 2020.

With January comes a busy month at the Bruno Rink. Come out and cheer on your favorite hockey or broomball team and have a burger. Congratulations to everyone involved with the Artificial Ice Project. This project could not have happened without all of the volunteers or sponsorships. Whether it was with fundraising or the installation of the new plant it is our volunteers that made this project happen. To all of the sponsors thank you for all your donations.

Mayor Dale Glessman

4 P's of Safe Winter Driving

The best way to handle wintry conditions on the road is to avoid driving when possible. If you must drive be sure your car is prepared and you know how to handle snowy and icy conditions.

Plan

- Check the weather, traffic and road conditions before you leave
- Allow extra time to reach your destination
- Consider hiring a professional driver from a licensed company to transport you safely

Prepare

- Keep emergency supplies in your car (shovel, snow brush, sand, blankets, water, flashlight)
- Winterize your car by replacing wipers, refilling antifreeze, and checking tire treads
- Remove snow and ice from your vehicle prior to driving

Protect

- Wear your seat belt
- Ensure children under 13 are properly restrained in the back seat
- Keep your headlights on to make it easier for other drivers to see you

Prevent

- Reduce speeds and accelerate and brake cautiously
- Increase distance between you and the vehicle in front of you
- Do not use cruise control
- Use low gears to increase traction, especially on hills

The Town of Bruno would like to remind you to drive safely this winter.
