One Book One Province

2024 Book Selection

The 2024 One Book One Province title is *Miss G and Me* by Jennifer S. Wallace. The program will see libraries, book clubs, and individuals all across Saskatchewan join together in April 2024 to read this book and share discussions about the story.

JENNIFER S. WALLACE is a French immersion teacher, judo sensei, writer, artist, and author. She loves teaching, singing, painting, reading, travelling, and buying too many children's books. In 2009, Jennifer wrote and published her first book, a nonfiction children's story called *When He Opened His Eyes: Gordon's Story*, about her firstborn. She writes

articles and poems for *Sister Triangle*, an online women's magazine and has led writing workshops and writers' events. In 2020, the non-published manuscript of *Miss G and Me: A Daughter's Memoir* was awarded third place in the Saskatchewan Writers' Guild's John V. Hicks Long Manuscript Award for Creative Nonfiction. Jennifer was born and raised in Saskatoon, Saskatchewan, Treaty 6 Territory, and lives there with the loves of her life: John, Imogen, Isaac, and their two dogs.

Weaving together poems, journal entries, anecdotes, and personal essays, the award-winning *Miss G and Me* shares a daughter's insights into her Jamaican mother's immigration story and familial relationships.

The book invites readers and listeners to experience Jamaican, English and prairie Canadian voices, cultures, landscapes, and mindsets. Whether online or in person, audiences have been receptive to the many themes that *Miss G and Me* explores.

If you are interested in reading the book with a group or book club, SLA has a study guide available to go along with *Miss G and Me*.

One Book One Province is a province-wide program that launched in 2017. It aims to increase literacy and create a reading culture by providing opportunities for residents to become more socially engaged in their community through a shared story. One Book One Province encourages Saskatchewan's social, economic and cultural development while supporting libraries and collaboration.

Many thanks to each of the ladies who worked the lunch at the Community Hall – Betty Welter, Audrey Bender, Michelle Ebner, Debbie Kramer and Paula Kramer. We are forever grateful to Derek, Kirby and Brad from Schuler-Lefebvre Funeral Services for their patience and guidance during this time.

We feel very blessed to be surrounded by so much love from everyone. Dad will be missed so much, but we will carry the beautiful memories we have of him with us, each and every day.

**Drinking Water Quality and Compliance
Annual Notice to Consumers – Town of Bruno 2023**

Introduction

The Water Security Agency and the Ministry of Environment requires that at least once each year waterworks owners provide notification to consumers of the quality of water produced and supplied as well as information on the performance of the waterworks in submitting samples as required by a Minister's Order or Permit to Operate a waterworks. The following is a summary of the Town of Bruno water quality and sample submission compliance record for the 2023 calendar year. This report was completed March 25, 2024. Readers should refer to Water Security Agency's Municipal Drinking Water Quality Monitoring Guidelines, June 2015, EPB 502 for more information on minimum sample submission requirements and the meaning of type of sample. Permit requirements for a specific waterworks may require more sampling than outlined in the department's monitoring guidelines. If consumers need more information on the nature and significance of specific water tests, for example, "what is the significance of Selenium in a water supply", more detailed information is available from: http://www.hc-sc.gc.ca/ewh-semt/pubs/water-eau/index_e.html.
