Community Planning
Comments on Subdivision

175/2023

Kramer/Glessman: Acknowledge receipt of the letter from Community Planning dated May 29th, 2023. Council conveys their full support of the subdivision under Community Planning regulations. The Town of Bruno CAO has verbally confirmed with the landowner of Lot 11, that there is no immediate plan for any development. The Town CAO advised the landowner to communicate this to Community Planning directly in order to expedite the application for subdivision decision. The project planned for Lot 12, being a Daycare, will fit in very well in that area of the Town and will not have any foreseeable adverse effects that Council would be aware of. This project has complied with all requests from Council. Council sees no reason that it would not be a suitable fit for Lot 12. Council has passed an amendment to the Zoning Bylaw on May 17th, 2022, to allow for the Daycare project to proceed on Lot 12.
