**October 2022**

## MAYOR'S MESSAGE

Hello Everyone

Fall is here. I would like to say thank you to Monique Pulvermacher and her group of ladies that planted the pots that were at each of the businesses in Bruno this year. This is part the Community Beautification project started many years ago. The ladies continue to plant the pots each year and the businesses look after them for the summer. Also, a thank you to the Bruno Savings and Credit Union for planting and looking after the plants in Pioneer Park. This all helped to make our Main Street look wonderful this year.

On behalf of myself, Council and the Town of Bruno staff, Happy Thanksgiving. I hope everyone can spend sometime with family this Thanksgiving.

Happy Halloween on October 31, please watch out for all of the little ghosts and goblins.

Mayor Dale Glessman

**IN CASE OF FIRE  
CALL 911**

**The Fire Department wishes to remind everyone to call 911 in case of fire.**

**Fire Department members should not be contacted personally as they are unable to respond unless dispatched through 911.**

## What to teach your children about 911

Do your children know how to get help in an emergency?

- Tell your children to call 911 in an emergency.
- Teach your children their address and telephone number as young as possible. Keep the address and telephone number posted by all phones in case they are unsure.
- Tell your children to answer all of the emergency operator's questions and to stay on the phone until they are told to hang up.
- Teach your children about the dangers of making prank 911 calls.

## What are the dangers of 911 prank calls?

Prank 911 calls are a waste of time and money and can also be dangerous. If 911 lines or responders are busy with prank calls, those with real emergencies might not get the help they need.

# Call 911 for emergency service

*Fire, crime in progress and  
emergency medical services*

## What is 911?

911 is the universal number for emergency police, fire and emergency medical services. 911 is available in Saskatchewan 24 hours a day.

## When should I call 911?

Call 911 when people or property are in danger. Examples of 911 emergencies include a fire, a crime in progress, or a need for emergency medical services.

## Suppose I need the police but it's not an emergency?

If your complaint is not an immediate threat to life or property (such as a parking complaint, a noisy party, or lost and found articles) call the non-emergency number for the police in your community.

## Free emergency calling

Calls can be made free from payphones and cellular phones anywhere in Saskatchewan where cellular service is available. Simply dial 911.

## Tips for using 911

Remain calm and speak clearly. Identify which emergency service you require (police, fire or ambulance) and be prepared to provide the following information:

- What is the location of the emergency?
- What is happening?
- What is the phone number you are calling from? What is your name and address?

Please remain on the line to provide additional information if requested by the operator. DO NOT HANG UP until the operator advises you to do so.

## Text with 911

Residents who are deaf, hard of hearing or speech impaired can register their cellphones so they can communicate with Sask911 operators via text message. Contact your wireless service provider to register.

# **T** A few **Thanksgiving** -related **FACTS**

Thanksgiving is a statutory holiday in Canada, except in PEI, Newfoundland and Labrador, New Brunswick and Nova Scotia.

Thanksgiving has been officially celebrated as an annual holiday in Canada since November 6, 1879.

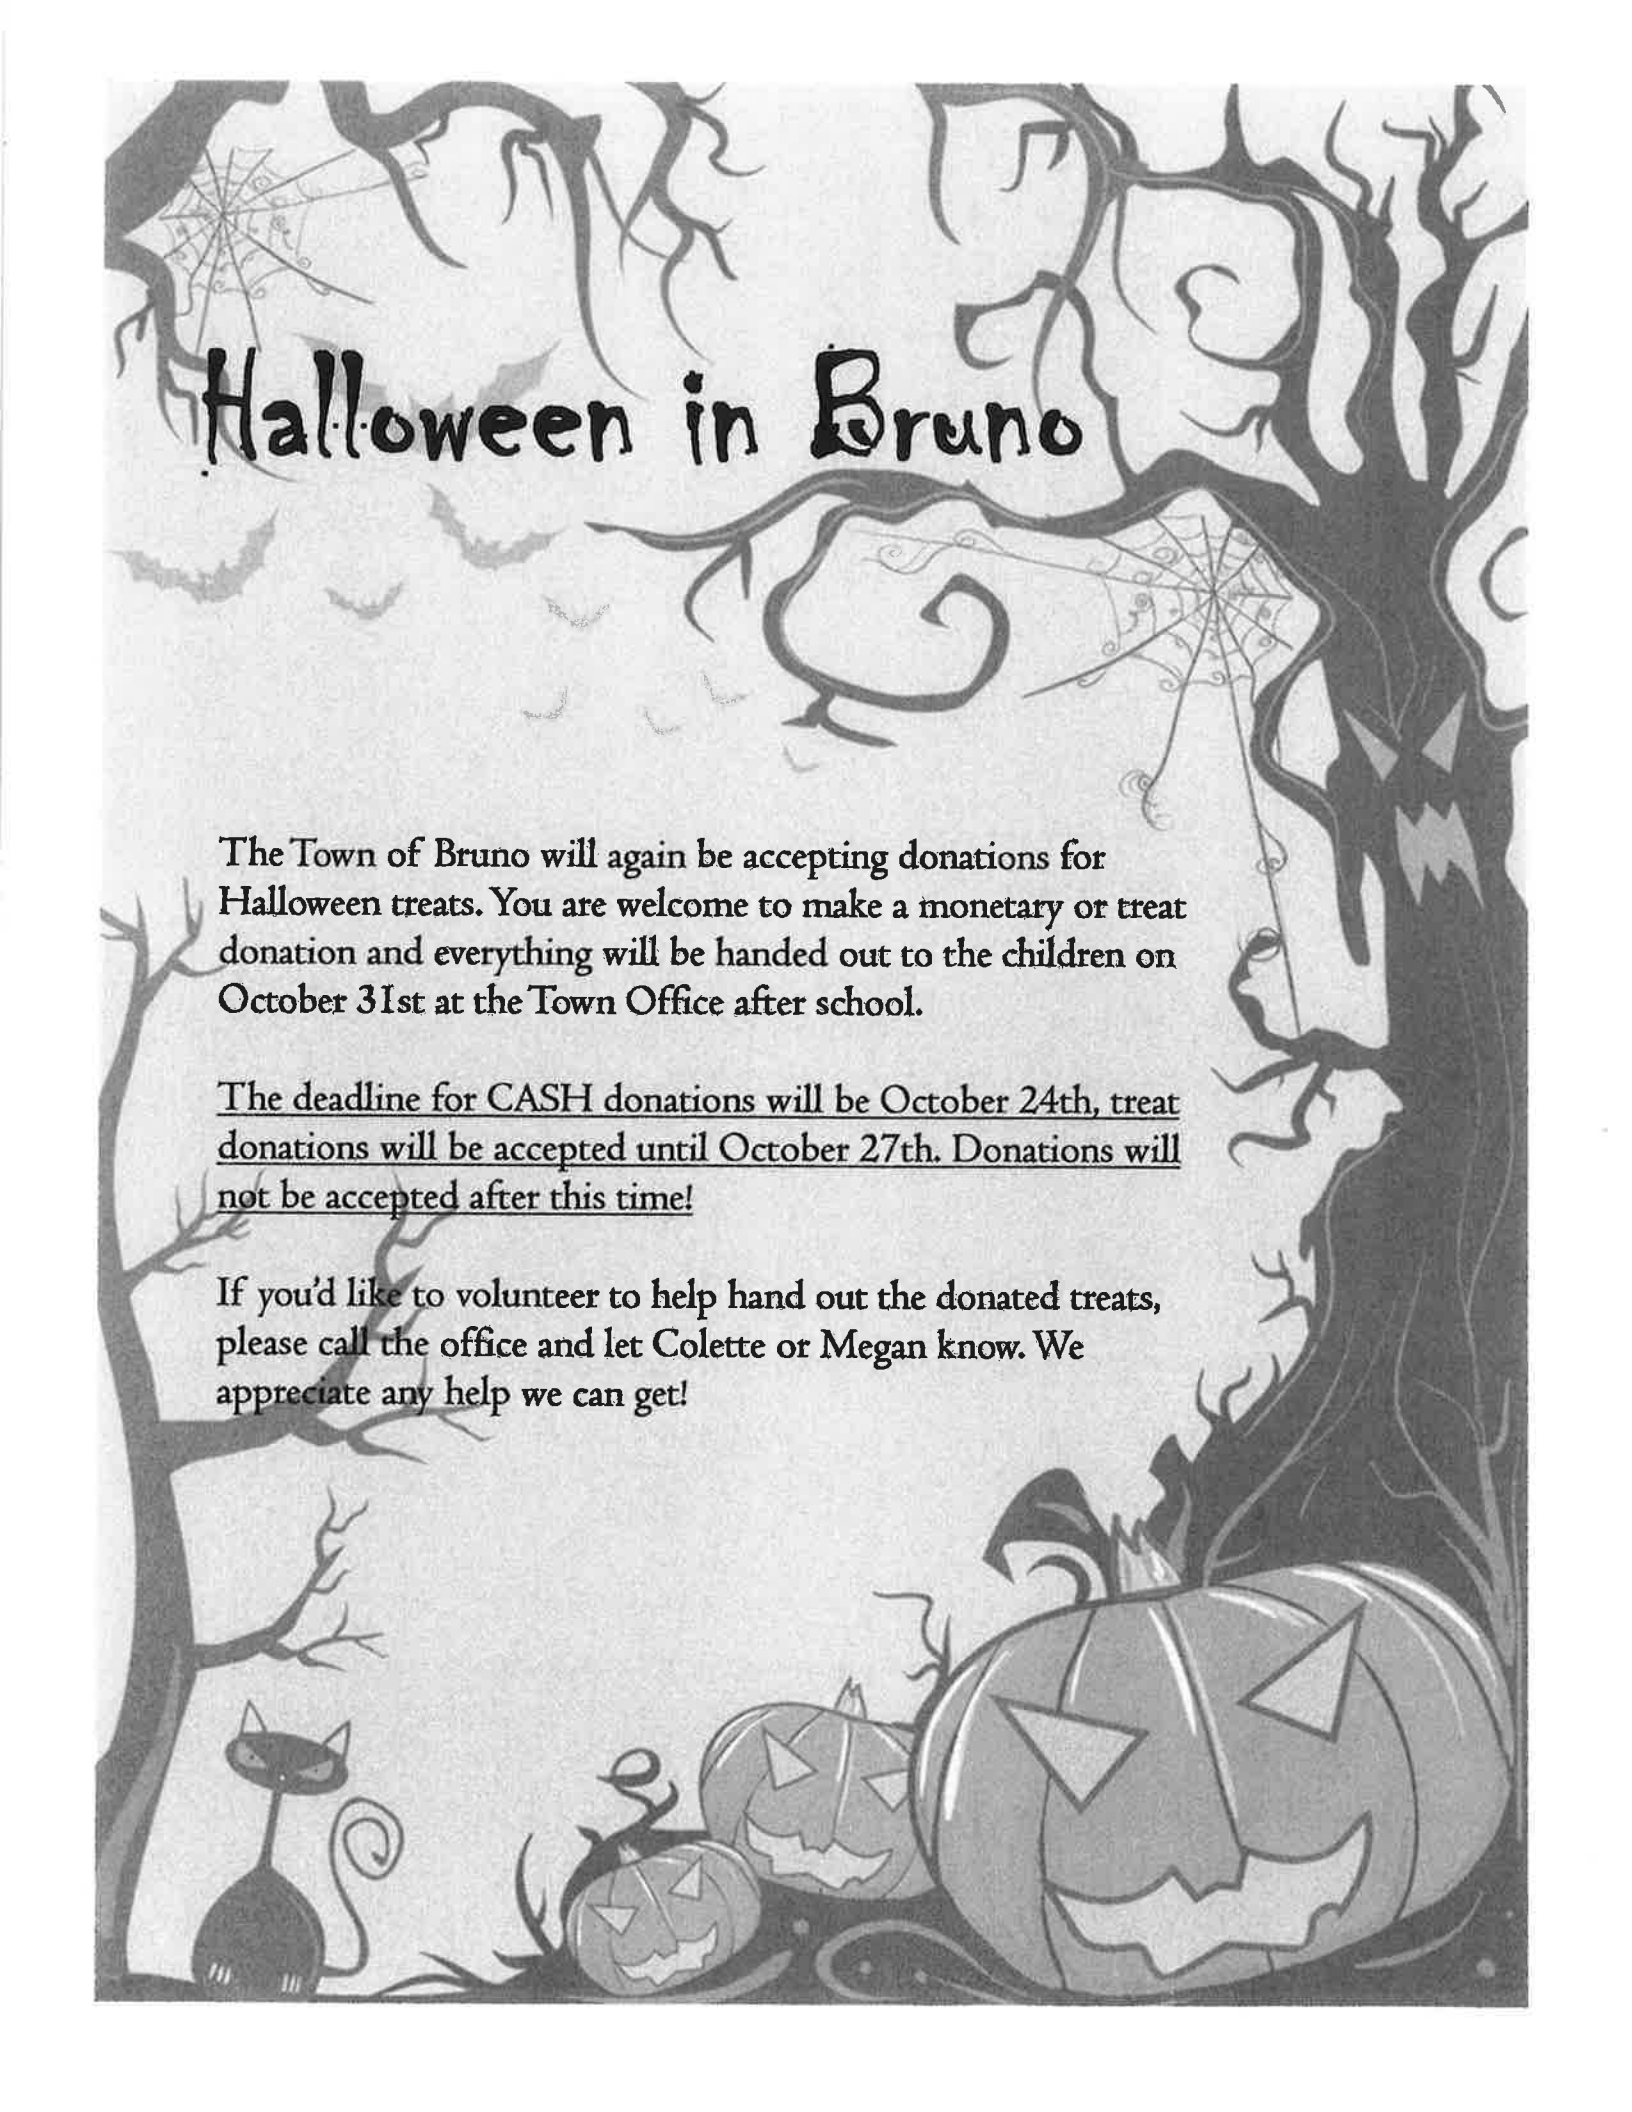

It used to be celebrated on the third Monday in October but back in 1957, Vincent Massey, (then Governor General of Canada), issued a proclamation which stated Thanksgiving to be observed on the second Monday in October.

**Foods traditionally served at Thanksgiving:**  
Roasted turkey, Baked ham, stuffing, mashed potatoes with gravy, sweet potatoes, cranberry sauce, sweet corn, various kinds of squashes, turnips, brussels sprouts, pumpkin pie, apple pie and butter tarts.

Contrary to popular belief, eating turkey isn't the main reason you feel sleepy after a Thanksgiving feast but rather the consumption of large amounts of food and alcohol!
