## MAYOR'S MESSAGE

Hello everyone,

I hope as you are reading this, that Spring is finally here. We have had three people put their names forward for the two vacant spots on town council. Thank you to these three residents for letting your names stand. We will be having an election. Advance Poll is on Thursday, May 11, from 4pm to 8pm and the Election Day Poll is Wednesday, May 17, from 9am to 8pm. Both polls will be held at the Town Hall. Please come out and vote.

Saturday, May 13, 2023 is our Annual Town Wide Garage Sale.

Happy Mothers Day on Sunday, May 14 to all of the Moms, Grandmas and Great Grandmas in our community.

Mayor Dale Glessman

Hey have you tried the Bird Watching Kit for Kids yet? Being able to identify just a handful of bird songs is a skill that will stay with you for the rest of your life. However being able to tell a House Finch from a Song Sparrow is not that easy. That is where “The Little Book of Backyard Songbirds” comes in handy and is included in the Kit . There is also a DIY Bird feeder included in the Kit for you to paint and keep!

### SUMMARY

Veteran Japanese writer/director Yasujiro Ozu's second postwar production was 1949's Late Spring or Banshun. Chisu Ryu plays another of Ozu's realistic middle-class types, this time a widower with a marriageable daughter. Not wishing to see the girl resign herself to spinsterhood, Ryu pretends that he himself is about to be married. The game plan is to convince the daughter that they'll be no room for her at home, thus forcing her to seek comfort and joy elsewhere.

## 2023 ANNUAL WATERWORKS INFORMATION POLICY

### POLICY 01/2023 Resolution:118 /2023

**DATE:** April 18, 2023

#### **THE WATERWORKS RATE POLICY FOR 2023**

The Town of Bruno at its December 2021 meeting passed a Bylaw to update the rates to be charged for the use and consumption of water and sewer for 2022 and it remains unchanged for 2023.

The waterworks rate policy for 2023 will be:

- the minimum rate charge of \$182.75 per quarter for a maximum of 5,000 gallons of water
- the per 1000-gallon water rate of \$31.69 for usage above the 5,000-gallon minimum;
- A flat rate fee for sewer service at \$182.75 per quarter,
- a total minimum of \$365.50 per quarter.
- These rates will ensure that water & sewer works revenues cover water and sewer works operating costs.

For waterworks, operating costs and expenditures include staff salaries, benefits, training, water from SaskWater, utilities, insurance, chemicals, equipment, and building maintenance. The major cost is of purchasing treated river water from SaskWater.

This waterworks rate policy should allow the Town to reserve some funding annually to help offset future waterworks infrastructure needs.

The objective of the waterworks rate policy is to work towards waterworks that are self-financing, where the users pay for the cost of the service. To accomplish this, waterworks rates need to increase over time in relation to expenses, so that the revenues cover operating costs. Council will review its waterworks policy annually to determine if revenues are covering costs.

#### **WATERWORKS CAPITAL INVESTMENT STRATEGY**

i) The objective of the waterworks capital investment strategy is to address anticipated waterworks infrastructure maintenance, the immediate drinking water infrastructure problems and future infrastructure replacements in a timely fashion so as to ensure the municipal waterworks provides safe drinking water collection for residents and businesses. The strategy uses the 2011 and 2015 Waterworks System Assessment as required by Saskatchewan Environment for infrastructure planning. In 2018 The Town of Bruno completed a Sanitary & Storm Network Asset Management Plan as well as a Water Network Management Plan. These Asset Management plans will be utilized by the Town of Bruno in future Capital Asset planning and Acquisitions. The Town of Bruno intends to continue building our reserve fund through budgeted revenue surpluses annually.

ii) The current waterworks capital plans and planned sources of funding are as follows.

Project	Planned year of completion	Estimated project cost	Future Cost*	Sources of Funding
Hydrant replacements	2018 - 2027	\$25,000	\$125,000	Budgeted Utility Annual Funding
Upgrade monitoring system at Water Treatment Plant	2023	\$16,500		Budgeted Capital Addition
Upgrade crane and winch system at Lift Station	2023	\$5,000		Budgeted Capital Addition

**ANNUAL FINANCIAL OVERVIEW**

Total 2022 waterworks revenues	\$558,536.85	
Total 2022 waterworks expenditures	\$532,071.77	
Total debt payments on waterworks infrastructure loans		\$0

Comparison of waterworks and sewer revenues to expenditures plus debt payments, expressed as a ratio

$$\frac{\$558,536.85}{\$532,071.77} = 1.04 \text{ times}$$

For 2022, waterworks and sewer revenues covered 104% percent of the expenditures.

**RESERVES**

Reserves available for waterworks capital infrastructure at December 31, 2022    \$351,071.27

Mother's Day  
Prayer!

Loving God, we ask you to  
bless all Mothers today.  
May they feel the joys of  
motherhood everyday.  
In all their struggle giving  
us a livelihood, may your  
love and compassion be  
with them for good.  
May every mother  
feel today, the pride  
and beauty of the family  
they bear. Through all pain and  
sorrow Lord deliver them-  
In your strength and grace may  
they always stay. Amen!

## Exciting News

Materials have been ordered, and we will install TWO new greens this season. We have already replaced the greens on holes 1, 5, and 9 and with the two new greens this summer, we will be over half completed our greens project. A huge THANK YOU to all our sponsors who have donated to this project and to all our volunteers for the countless hours they've spent to make this happen!

Bruno Golf Course Advertising and Sponsorships are available.

Contact one of our committee members if you're interested.
